Education

- 2024–present **Ph.D in Computer Science**, *Institute of Computing Technology, Chinese Academy of Sciences*, Beijing, China.
Supervisor: Prof. Xiaoming SUN.
Research: Quantum circuit synthesis, Quantum machine learning.
- Fall, 2023 **Visiting Student**, *Department of Electrical Engineering and Computer Sciences, University of California, Berkeley*, Berkeley, CA, USA.
Fully funded by University Scholarship Program.
Selected Courses: CS61A: Structure and Interpretation of Computer Programs (A+), CS188: Introduction to Artificial Intelligence (A+), CS170: Efficient Algorithms and Intractable Problems (A).
- 2020–2024 **Bachelor in Computer Science, Minor in Mathematics**, *School of Computer Science and Technology, University of Chinese Academy of Sciences*, Beijing, China.
GPA: 3.87/4.0
Rank: 13/115

Publications

- 2026 **Jialiang Tang**, Jialin Zhang and Xiaoming Sun. SAQNN: Spectral Adaptive Quantum Neural Network as a Universal Approximator. Accepted by *International Conference on Machine Learning*, 2026.
- 2025 **Jialiang Tang**, Jialin Zhang and Xiaoming Sun. Quantum circuit synthesis with SQiSW. *Quantum*, 9, 1889. doi: 10.22331/q-2025-10-20-1889. url: <https://doi.org/10.22331/q-2025-10-20-1889>.

Awards

- 2025 **Freshmen Scholarship** granted by Institute of Computing Technology, CAS (12 out of 495).
- 2024 **Bronze Award** of 49th ICPC Asia Regional Contest in Nanjing.
- 2024 **Leeuwenhoek Award** of 3rd CCF "Sinan" Cup Quantum Programming Contest.
- 2024 **Excellent Undergraduate Thesis** granted to "Quantum circuit synthesis with SQiSW" by UCAS (top 8%).
- 2021-2023 **Academic Scholarship** granted by UCAS (for each year, top 15%).
- 2022 **Outstanding Student of Beijing** granted by Beijing Municipal Committee of the Communist Youth League (8 out of 66292 in UCAS).

Skills

- Programming Python (with Qiskit), C, HTML, Verilog
- Writing LaTeX (with yquant, Tikz, beamer)

Language IELTS 7.0 (Reading 8.5)

Services

2024 **The Great Wall Marathon of Huairou & The 58th Beijing Open Half Marathon Park Run**, Volunteer.

Spring, 2023 **Experiments of Computer Organization**, Teaching Assistant.

2022 **2022 Beijing Winter Olympics**, Volunteer.
